## Report of Independent Registered Public Accounting Firm

To the Member of Fortress Capital Formation LLC

### Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Fortress Capital Formation LLC (the Company) as of December 31, 2017 and the related notes ("the financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company at December 31, 2017 in conformity with U.S. generally accepted accounting principles.

### Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2011.

**Notes to Financial Statements**

December 31, 2017

**1. Organization**

Fortress Capital Formation LLC (the Company and formerly known as Fortress Securities LLC), a Delaware limited liability company and a wholly owned subsidiary of Fortress Operating Entity I LP (FOE I), was formed on June 6, 2008. FOE I initially funded capital in the amount of \$2.2 million to the Company on June 15, 2010. FOE I is a wholly-owned indirect subsidiary of Fortress Investment Group LLC (Fortress). Fortress raises and manages alternative investment funds.

On December 27, 2017, Fortress completed a merger with a wholly owned subsidiary of SoftBank Group Corp. (SoftBank). As a result of the merger, Foundation Holdco LP, a Cayman Islands exempted limited partnership and a wholly owned subsidiary of SoftBank, became the parent company of Fortress.

The Company is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA), registered on December 21, 2010. The Company acts as a placement agent in offerings of interests in private investment funds managed by affiliated entities. The Company operates two offices, one of which is a non-OSJ (Office of Supervisory Jurisdiction) branch office. The Company is a limited liability company whose formation documents allow for an indefinite life.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP).

**Cash and Cash Equivalents**

The Company considers all highly liquid short-term investments with an original maturity of 90 days or less when purchased to be cash equivalents. At December 31, 2017, there were no cash equivalents.

**Fortress Capital Formation LLC  
(A Limited Liability Company)**

**Notes to Financial Statements (continued)**

**2. Summary of significant accounting policies (continued)**

**Revenue Recognition**

Revenue is generated from the rendering of services and is recognized when the services are performed and the earnings process is complete. Revenue is comprised of the reimbursement of expenses from related entities plus a percentage mark-up.

**Income Taxes**

The Company's income is allocated directly to its sole member and is not subject to a corporate level of taxation. The Company is subject to the New York City unincorporated business tax (UBT) on its earnings based on a statutory rate of 4%. Interest and penalties, if any, are treated as additional taxes. Income taxes are accounted for under the liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**3. Income Taxes**

The deferred tax asset of \$6,891 is related to organizational costs that are deductible over 15 years for tax purposes.

**Fortress Capital Formation LLC**  
**(A Limited Liability Company)**

**Notes to Financial Statements (continued)**

**4. Regulatory Requirements**

The Company is a registered broker-dealer under the Securities Exchange Act of 1934 (the Act) and, as such, must comply with the rules and regulations thereunder. Pursuant to the net capital provisions of Rule 15c3-1 under the Act, the Company is required to maintain minimum net capital (as defined) equal to the greater of \$5,000 or 6-2/3 percent of aggregate indebtedness (basic method). At December 31, 2017, the Company's net capital and excess net capital amounts were \$3,032,485 and \$3,023,808, respectively. The Company was in compliance with such requirements.

The Company is exempt from the provisions of Rule 15c3-3 of the Act under paragraph (k)(2)(i) of that Rule, as the Company does not hold customer funds or safekeep customer securities.

**5. Related Party Transactions**

FOE I, the Company's sole member, funded the initial capital requirements of the Company.

**Company Allocation**

The Company receives services from FIG LLC, which provides the use of its employees, facilities and other assets. Expenses incurred by FIG LLC that are directly related to the Company's activities are generally allocated to the Company unless specifically assigned. Other shared costs, such as rent and utilities, are allocated to the Company based on headcount.

**Service Agreement**

The Company has entered into a service agreement with FIG LLC whereby the Company is reimbursed expenses plus a percentage mark-up.

Due from affiliate, net includes \$90,807 due from FIG LLC.

The Company does not charge or pay interest to affiliates on outstanding receivable and payable balances.

**6. Concentration of Credit Risk**

The Company maintains its cash and cash equivalents with one financial institution, which at times may exceed federal insured limits.

Fortress Capital Formation LLC  
(A Limited Liability Company)

Notes to Financial Statements (continued)

**7. Fair Value of Financial Instruments**

The Company's financial instruments, primarily cash and due from affiliate, net, are recorded at fair value.

**8. Subsequent Events**

The Company has performed an evaluation of material events which occurred subsequent to December 31, 2017 (referred to as subsequent events) through the issuance of this statement of financial condition. Events subsequent to the date of issuance have not been considered in this statement of financial condition.
